Services for CEDU students

Personal librarians
- Orientate, educate and train in subject specific databases to facilitate self-help
- Provide access to training material via myUnisa
- Promote the use of the library's information resources and services
- Create awareness of the library's information resources and services

Find your personal librarian at: http://www.unisa.ac.za/penslib

Branch librarians
- Orientate, educate and train clients in the use of general databases to facilitate self-sufficiency, for example: Library catalogue, basic library skills, advanced library skills, myUnisa and myLife (student e-mail accounts)
- Create awareness and promote the use of the library's information resources and services
- Provide a general information service and literature searches to all clients
- Provide library access to prospective M&D students who want to register with Unisa
- Circulation services
- Photocopying/printing facilities
Contact numbers
Client services/information desk: +27 12 429 3206/3313
Lending services: +27 12 429 4164

Information search librarians
- Provide literature searches: Reading lists on a research topic
- Consult South African and international information resources to
  find books, theses, journal articles and Internet sites that are
  relevant to the research topic or assignment
- Provide a reading list on research methodology
- Provide educational material to support literature searches and
  information requests
- Provide answers to short reference questions

Requesting a literature search
- Online: http://www.unisa.ac.za/itsearch
- In person: from all branch librarians and personal librarians
- By post: IR request services: Information search librarians
